RESOLUTION

Recognizing the goals of Catholic Schools Week and honoring the valuable contributions of Catholic schools in the United States.

Whereas Catholic schools in the United States are internationally acclaimed for their academic excellence and provide students with more than an exceptional scholastic education;

Whereas Catholic schools instill a broad, values-based education, emphasizing the lifelong development of moral, intellectual, physical, and social values in young people in the United States;

Whereas Catholic schools provide a high level of service to the United States by providing a strong academic and moral foundation to a diverse student population from all regions of the country and all socioeconomic backgrounds;

Whereas Catholic schools are an affordable option for parents, particularly in underserved urban areas;

Whereas Catholic schools produce students who are strongly dedicated to their faith, values, families, and communities, by providing an intellectually stimulating environment that is rich in spiritual, character, and moral development;

Whereas Catholic schools are committed to community service, producing graduates who hold “helping others” as a core value;

Whereas the total student enrollment in Catholic schools in the United States for the 2014–2015 academic year is almost 2,000,000 and the student-to-teacher ratio is 13.1 to 1;

Whereas the Catholic high school graduation rate in the United States is 99 percent, with 87 percent of graduates attending a 4-year college;

Whereas in the 1972 pastoral message concerning Catholic education, the United States Conference of Catholic Bishops stated, “Education is one of the most important ways by which the Church fulfills its commitment to the dignity of the person and building of community. Community is central to education ministry, both as a necessary condition and an ardently desired goal. The educational efforts of the Church, therefore, must be directed to forming persons-in-community; for the education of the individual Christian is important not only to his soli-

tary destiny, but also the destinies of the many communities in which he lives.”;

Whereas the week of January 25, 2015, to January 31, 2015, has been designated as “National Catholic Schools Week” by the National Catholic Educational Association and the United States Conference of Catholic Bishops;
